Eligibility Criteria

Welcome to the Hotel & Hospitality Awards, a prestigious recognition platform designed to celebrate excellence in the hospitality and foodservice industry. If you or your organisation have demonstrated exceptional achievements, we invite you to submit your entry and gain the recognition you deserve. To qualify, your submission should clearly showcase your accomplishments, originality, and the measurable impact of your efforts within the industry. Ensure your submission is accompanied by thorough documentation, including performance metrics, case studies, or visual evidence, and is completed within the specified deadlines. Don't miss the chance to celebrate your success!

- The candidate or entity must currently be based in the region of the competition - Saudi Arabia.
- The work and achievements outlined in the application should be in reference to the accomplishments achieved 12 months prior to the deadline.
- For the Individual Achievement Awards, the candidate must have held his/her position for a minimum of 9 months before the deadline.
- Companies or establishments must have been in continuous operation for at least one year before the submission date.
- All participating businesses must comply with local hospitality regulations, safety standards, and best practices.
- Individual nominees must provide at least one reference letter from a senior professional or industry expert, while companies must include testimonials or case studies.
- All submitted information must be factual, verifiable, and complete, with supporting documentation where necessary.
